**Wireless Telecommunications Bureau  
Assignment of Authorization and Transfer of Control Applications  
Accepted for Filing**

Because of recent events in Washington, D.C., resulting in the disruption of regular mail delivery and of the processing of other deliveries, the Commission released, on November 29, 2001, an Order temporarily amending certain procedural rules on an emergency basis. See "Implementation of Interim Electronic Filing Procedures for certain Commission filings", FCC 01-345, Order, (rel. November 29, 2001). Certain pleadings must be filed electronically (electronic mail or facsimile), by hand delivery, or by overnight delivery service other than U.S. Postal Service Express and Priority Mail.

Below is a listing of applications, subject to the pre-grant notice and petition procedure of Section 309 of the Communications Act of 1934, as amended, that, upon initial review, were accepted for filing. The Commission may return any of the applications, if upon further examination, it is determined they are defective or not in conformance with the Commission's rules and regulations. Final action will not be taken on these applications earlier than 31 days following the date of the public notice, except for radio applications not requiring a 30 day notice period. (Section 309(c) of the Communications Act, as amended.). This Public Notice only provides basic information concerning the applications. The completed applications and any attachments submitted are available for viewing online via the Bureau's Universal Licensing System (ULS). Information on how to access the ULS may be found on the internet at <http://www.fcc.gov/wtb/uls>.

<sup>1</sup> This application is attached to file no. 0001255862. KNLH391 is the subject of a prior assignment application in the AWS-USCC Transaction. See Assignment Application, File No. 0001254000 (Apr. 16, 2003). The Commission has consented to the assignment of KNLH391 from ABC to AWP; however, this transaction has not been consummated. See Wireless Telecommunications Bureau Grants Consent for the Assignment of Licenses to AT&T Wireless Services, Inc. and United States Cellular Corporation, *Public Notice*, WT Docket No. 03-113, DA 03-1993 (rel. June 18, 2003). Since this prior assignment application has not been consummated, KNLH391 is not shown as being held by AWP in the Universal Licensing System (“ULS”) database. Thus, the application listed in this Public Notice was filed manually with a request for waiver of the ULS electronic filing requirement, pursuant to section 1.913(b) of the Commission’s rules. 47 C.F.R. § 1.913(b). We grant the parties’ request for waiver of the ULS filing requirement.

For further information, please contact Elizabeth Williams, Commercial Wireless Division, Wireless Telecommunication Bureau at (202) 418-1343.
